Every such Chapter as a condition of obtaining such Licence shall make the declaration required to be made by the Canon of the Indian Church before a Licence is granted. Such Licence when required shall not be withheld except on account of the Chapter's refusal to make any of the said declarations or for reasons for which under the law for the time being in force in England a Bishop of the Church of England may refuse to institute or admit a clergyman presented to a benefice in England other than reasons concerning the transfer of the right of patronage and any provisions in the English law in force at the time when may be desired by the Governor-General in Council with the concurrence of the Bishop of Calcutta to be applicable in India. If any Bishop of the Indian Church withholds his

If any such appeal is allowed, the Bishop who has withheld the licence shall thereupon grant it. Provided that a Chaplain working in India at the date of appointment and holding a licence from the Bishop of his diocese shall not be required to obtain a new licence unless and until he is transferred to another diocese, and if he be transferred to another diocese, he shall be allowed to make the declaration which was registered before the date of appointment instead of the declaration required to be made by the Church of the Indian Church if he have a reasonable objection to accepting residence in the Indian Church.

5. No Chaplain shall undertake any work other than that of ministering to the Majesty's troops and the servants of the Crown and their families. If, at the Bishop or the Governor-General is Council objects to his undertaking such work.

13. The Governor-General in Council may remove any Chaplain from the list contained in the several Schedules to the Indian Church Act by agreement with the Bishop of Calcutta or by 12 months' notice expiring with the end of a financial year, provided that such notice shall not be given unless he has notified his intention to do so to the Bishop of Calcutta and allowed him a reasonable opportunity of showing those against such removal.

25. The arrangements made for the loan of Churches which have been consecrated for the use of the Church of England which are up for use at the date of a service shall be determined by the Church in India unless varied by mutual consent of the Governor-General in Council and the Bishop of Calcutta.

GENERAL OBSERVANCE AND MODIFICATIONS.

26. The Indian Church shall provide appropriate apparatus for Chaplains and spiritual ministrations for the congregations worshipping in Maintained Churches, and the Governor-General in Council shall make such grants as he may think fit to the Church in consideration of such spiritual apparatus and ministrations.

ARBITRATION OF DISPUTES.

27. If the Bishop of Calcutta refuses to consent to an alteration of these rules proposed by the Governor-General in Council, with the sanction of the Secretary of State in Council, as regards the spiritual apparatus of Churches ministering to troops, the Governor-General in Council may, if he thinks fit, require the matter to be referred to arbitration of the Archbishop of Canterbury, or, if he is unwilling to act, some person appointed by him, or, if he fails to make such appointment, a person appointed by the Governor-General in Council and the Bishop of Calcutta, and in the case of each between the decision of the arbitrator shall be final.

REPEAL OF THE RULES.

28. (1) If it shall appear to a Local Government that any officer of the Indian Church has contravened a branch of these rules, it shall report the same to the Bishop, who shall take such steps as he thinks fit to secure their observance, and if a Local Government considers that a Bishop is permitting or himself taking action contrary to these rules, or has failed to secure observance of the rules, the Local Government may request the Governor-General in Council to bring the matter to the notice of the Bishop of Calcutta, who shall determine what steps he thinks fit to secure the observance of the rules.

(2) In this manner the Governor-General in Council may of his own motion bring any alleged breach of the rules to the notice of the Bishop of Calcutta, who shall thereupon take such steps as he thinks fit to secure their observance.

(3) The Governor-General in Council, whether acting of his own motion or at the request of a Local Government, shall give the Bishop of Calcutta an opportunity of taking action with regard to such alleged breaches, before he proceeds to act under the next following rule.

29. (1) If after bringing alleged breaches of these rules to the notice of the Bishop of Calcutta, the Governor-General in Council shall be of opinion that such breaches continue to be committed, whether with the knowledge of the authorities of the Indian Church or through their default or neglect, or otherwise, or (2) if he shall be of opinion that the Indian Church is so administered that the general observance of these rules is frustrated, and if, in either case, the Bishop of Calcutta differs from the opinion of the Governor-General in Council, the matter or matters in question shall, with the sanction of the Secretary of State in Council, be referred to arbitration in the manner provided by rule 27, and the decision of the arbitrator shall be final.

30. If the arbitrator shall find that a branch of these rules has been and is being contravened or that the Indian Church is so administered that the general observance of these rules is frustrated, and that the default is such as to justify the Secretary of State in Council in taking action as specified in this rule, then the Secretary of State in Council may if he thinks fit call upon the Indian Church by its representatives the Bishop of Calcutta to carry out every suggestion of the arbitrator for remedying such default and on the refusal or failure of the Indian

Church to carry out such suggestions as without so calling on the Indian Church may declare that in all or any of the churches included at the date of the declaration in Part I of the General Schedule to the Act the ecclesiastical law of the Church of England in such extent as the Archbishop of Canterbury may direct shall be observed and followed, and in such case the Governor-General in Council may, with the sanction of the Secretary of State in Council, and the concurrence of the Archbishop of Canterbury, amend or repeal rules made or any rules specified in paragraphs (vi), (vii), (viii), (ix) and (x) of section 3 of the Act, and so make new rules in substituting therefor, or in any additions to modifications thereof, and the Secretary of State in Council may, at any time, after making the above-mentioned declaration, further declare that all or any of the said churches shall, at the expiration of twelve months from the date of his declaration, vest in the Crown or in such person or persons as he may appoint for as aforesaid rules in power, and such of them as are duly concerned shall be held in trust for the purposes of continuation in compliance with the rites of the Church of England, and shall be freed from any claim by the Indian Church or officials or members thereof.

If the Secretary of State in Council shall make the said above mentioned declaration without making the same a declaration and the Archbishop of Canterbury shall declare his assent thereto, the Secretary of State in Council may require the Indian Church to provide episcopal ministrations for the churches specified in the said declaration and episcopal supervision of chaplains serving therein, and the Indian Church shall provide such episcopal ministrations and supervision as long as the Chaplains concerned hold licence from Bishops of the Indian Church, and the continuance of the said above-mentioned recognition of the Indian Church. If the Secretary of State in Council make the said above-mentioned declaration as a declaration shall rest on any Bishop of the Indian Church to give episcopal supervision or ministrations in churches to which the second declaration shall apply.

SPECIAL NOTICE BY THE GOVERNOR-GENERAL IN COUNCIL TO DIFFERENT CHURCH PARISHES.

21. The Governor-General in Council, with the sanction of the Secretary of State in Council, may at any time give his year's notice to the Bishop of Calcutta that he intends to make rules in all or any of the churches mentioned in rule 10, so far as concerns the churches included at the date of the declaration in Part I (A) of the General Schedule to the Act, provided always that such churches shall vest in the manner and on the conditions permitted in rule 10 forthwith on the making of the said declaration, and not on the expiration of twelve months from the date thereof, and the declaration shall be modified accordingly.
